

Discover how you can engage with the world around you in new ways and hear your best with smaller-than-ever styles.

And...

Learn how to wear your hearing aids correctly, personalise your sound experience, and request assistance from your hearing care professional with the ReSound Smart 3D™ app.

ReSound is part of GN Hearing. We combine our passion and innovation to help people hear their best. ReSound hearing aids are powered by Organic Hearing, our unique approach to creating hearing solutions that sound natural, feel natural and connect you naturally to the world.

Next-era hearing

Made for Auracast™.
Top-rated for hearing in noise.
Smaller than ever. And...

ReSound Nexia

... it just keeps getting better

Don't miss out. Join the next era of hearing and connectivity with ReSound Nexia™ hearing aids. Powered by Organic Hearing™ to sound natural, feel natural and connect you naturally to the world.

... bring your world closer

Connect with new Bluetooth® Low Energy (LE) Audio and Auracast™ broadcast audio to open up a new universe of personal and shared listening experiences.

An enhanced Bluetooth experience

New Bluetooth LE Audio offers the clearest sound and lowest latency and battery consumption for all-day streaming.*

Join the new world of Auracast

Auracast broadcast audio is being rolled out in public places globally and in everyday devices to transform audio experiences. Be one of the first to try it.

*Bluetooth SIG

... recommended by 9 out of 10 users

Hear your best anywhere. ReSound Nexia is top-rated by users for sound quality and hearing in noise.

Clear sound, great conversations

Clearly hear all around you, including all the details you enjoy, and focus on who you want to listen to.

Enjoy hands-free calls

Stream hands-free calls from iPhone, iPad** and compatible Android™ devices*** directly to your ReSound Nexia hearing aids.

** Hands-free calls are compatible with iPhone 11 or later, iPad Pro 12.9-inch (5th generation), iPad Pro 11-inch (3rd generation), iPad Air (4th generation), iPad mini (6th generation), iPad (10th generation) or later, with software updates iOS 15.3 and iPadOS 15.3 or later.

*** See compatibility on resound.com/compatibility

... smaller than ever, so comfortable

Everyday devices are getting smaller, so are hearing aids. Experience our most advanced technology in small and comfortable styles.

Smallest rechargeable style

Incredibly, we managed to fit our most advanced technology and features for hearing in noise into our microRIE hearing aids.

Comfortable to wear all day

ReSound Nexia is easy to use, all-weatherproof and designed to feel natural, giving you our best wearing comfort all day.

A style for every need

microRIE Rechargeable **RIE** 312, 13 battery **BTE** Rechargeable

Sparkling Silver Champagne Gold Bronze
Warm Grey Graphite Espresso Deep Black

NW-CIC 10A battery **ITC/ITE** Rechargeable

TV-Streamer+, Auracast enabled
Send the sound from the TV directly to your hearing aids at the volume you prefer.
